Does your "bible" know the difference between Jesus and Satan ???

Revelations 22:16

**"I Jesus... I am...the bright and morning star."**

NIV, TNIV, HCSB, CEV	citation	KJV
How you have fallen from heaven, O morning star	Isaiah 14:12	How art thou fallen from heaven, O Lucifer

Who are you praying to?  
God the Father, or "your father the devil" (John 8:44)?

NIV, NASB, NLT, ESV, CEV, ASV, HCSB, NIRV, TNIV...	citation	KJV
Father,  hallowed be your name, your kingdom come.  Give us each day our daily bread. Forgive us our sins, for we also forgive everyone who sins against us. And lead us not into temptation.	Luke 11:2-4	Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done, as in heaven, so in earth. Give us day by day our daily bread. And forgive us our sins; for we also forgive every one that is indebted to us. And lead us not into temptation; but deliver us from evil.

It's easy to see the corruption in the modern translations. But what makes the KJV so special? The King James Version (also known as the "Authorized Version") is *unique*. It is not just a good translation OF the word of God; it is THE supernatural word of God. (Divine inspiration is NOT limited to the original languages.)

- \* It is without proven error. (see the books Bible Problems by Dr. Gerardus Bouw & The "Errors" in the KJB by Dr. Peter Ruckman, which answer every major attack and show that *nobody has ever proved a single mistake in the King James text.*)
- \* It contains God's built-in dictionary, defining words with context clues.
- \* It has a vocabulary and reading level which gradually increases from Genesis to Revelation.
- \* It gives a transparent view of the Hebrew and Greek vocabulary, grammar and syntax. (In other words, the translators didn't sacrifice accuracy by changing the Hebrew and Greek to fit the English; They adapted the English to fit the Hebrew and Greek!)
- \* It preserves pronoun specificity. (thou, thee, thine = singular / ye, you, your = plural)
- \* It uses literary devices which enhance doctrinally important concepts and memorability.
- \* Its sentence structure enhances accurate doctrinal interpretation. (see The Language of the King James Bible & In Awe of Thy Word by Gail Ripplinger)
- \* It has miraculous ordering and number patterns. (see By Divine Order by Michael Hoggard: "The purpose of this book: to provide undeniable evidence that the [English] Bible is divinely inspired in all its details." "...the textual and numerical patterns... are not replicated in the modern translations.")
